

July 14, 2017

Dear Parents,

We are excited to welcome our families back for the new school year. We hope your summer has been rejuvenating, so your children are ready to return with energy and enthusiasm. It is truly a privilege for our administration and teachers to work with each of you in our faith mission. This coming school year 2017-2018 promises to be an exciting year for St. Gregory, as we embark on many new adventures in learning.

Above is our school theme for the 2017-2018 school year: STRENGTH – I can do ALL things through Christ. (Phil. 4:13). As we begin our 58th year of excellence in Catholic education, we remember our calling to be strong and courageous in the face of obstacles, and in living and sharing our faith. “For God has not given us a spirit of timidity, but of power and love and discipline. (2 Tim. 1:6).” We have so much to celebrate and so many reasons to boldly and courageously share our blessings.

We look forward to seeing you in a few weeks!
